TO WHOMSOEVER IT MAY CONCERN

This is to confirm and certify that M/s AXA Power ApS had supplied 81 qty 90kVA-rated PowerCoil FEGP units that were installed at Terminal 3 of Indira Gandhi International Airport Limited.

The units were procured through a tendering process and M/s AXA Power ApS was selected by our Tendering Committee for the Design, Manufacture and Supply of the above units. The Delivery, Installation, Testing, Commissioning and Training were completed by M/s AXA Power ApS to the satisfaction of the Tender Specifications and Conditions of Contract.

The units were handed over on **14 November 2010** with warranty obligations as specified in the Conditions of Contract.

As on date, we have not encountered any problems that would suggest or indicate that these units have any quality or design issues.

Warranty and Product support of M/s AXA Power ApS along with their local warranty & after sales service provider M/s Millennium Aero Dynamics Pvt. Ltd. have been satisfactory

This statement is being issued at the request of Mr Poul Elvstrøm , Vice President, Global Sales & Marketing, AXA Power ApS / ITW GSE ApS.
